Journey “under the sea” with Ariel and her aquatic friends in Disney’s The Little Mermaid JR., adapted from Disney’s Broadway production and the motion picture. Based on one of Hans Christian Andersen’s most beloved stories, Disney’s The Little Mermaid JR. is an enchanting look at the sacrifices we all make for love and acceptance.
In a magical underwater kingdom, the beautiful young mermaid, Ariel, longs to leave her ocean home – and her fins – behind and live in the world above. But first, she’ll have to defy her father, King Triton, make a deal with the evil sea witch, Ursula, and convince the handsome Prince Eric that she’s the girl whose enchanting voice he’s been seeking.

Performances: August 3 & 4, 7:00PM, and August 5, 2:00PM

Winner of three Tony Awards, three Outer Critics Circle Awards, two Lucille Lortel Awards and two Obie Awards, Urinetown is a hilarious musical satire of the legal system, capitalism, social irresponsibility, populism, bureaucracy, corporate mismanagement, municipal politics, and musical theatre itself! Hilariously funny and touchingly honest, Urinetown provides a fresh perspective on one of America’s greatest art forms.
In a Gotham-like city, a terrible water shortage, caused by a 20-year drought, has led to a government-enforced ban on private toilets. The citizens must use public amenities, regulated by a single malevolent company that profits by charging admission for one of humanity’s most basic needs. Amid the people, a hero decides that he’s had enough and plans a revolution to lead them all to freedom!
Inspired by the works of Bertolt Brecht and Kurt Weill, Urinetown is an irreverently humorous satire in which no one is safe from scrutiny. Praised for reinvigorating the very notion of what a musical could be, Urinetown catapults the “comedic romp” into the new millennium with its outrageous perspective, wickedly modern wit and sustained ability to produce gales of unbridled laughter.
